Re: *United States v. Johnny Nunez Garcia, 19 Cr. 766 (ALC)*

Dear Judge Carter:

The Government respectfully requests that the Court enter the attached protective order, which would govern the handling of discovery in this case, and which contemplates different levels of protection for materials that contain various forms of personal and private information about the victim, potential witnesses, their friends and family, and other third parties. As reflected in the accompanying signature page, defense counsel consents to entry of this order.

Respectfully submitted,

GEOFFREY S. BERMAN
United States Attorney
